THE ROAD TO HEALTH.

Cleanse the stomach, bowels and blood from all the acrid, corrupt and offensive accumulations which produce functional derangement, and you remove the cause of most diseases which afflict the human family, and thus save large doctors' bills. The most effectual and reliable remedy for this purpose is found in Dr. Pierce's Pleasant Purgative Pellets. No cheap wood or paper boxes, but kept fresh and reliable in vials. High livers, those indulging in ease

Ingn livers, those induging in ease and pleasure, and those of sedentary habits, can prevent Bolls, Carbuncles, Gout, Red Skin, Eruptions, Pimples, Constipations, Piles, Drowsiness, Billousness, and other conditions induced by such habits, by taking from four to six of Dr. Pierce's Pleasant Purgative Pellets once a week, such better still, one or two seek wiely. or, better still, one or two each night. BEAUTIPUL WOMEN.—The hair is the crown ng glory of woman. There are few moderat defects which cannot be remedied by the prope defects which cannot be remedied by the proper disposition of the tresses. But when the half begins to fall out, or turn gray, in young people, or with those in the prime of life, there is cause for real regret. When this is the case, Half's Fegedable Sicilian Hair Renewer will be found to be a first-class remedy, far superior, as a sound medical medium, to anything else before the public. It actually restores gray hair to its original color, and in the great majority of cases causes it to grow again when it is becoming thin. It is not like many popular preparations, a mere wash, but a selentific discovery, indorsed and used by physicians of churacter. Address R. P. Hall & Co., Nashua, N.
